

**MINUTES OF THE
BOROUGH OF CLEMENTON
FEBRUARY 21, 2017
COUNCIL MEETING
OF THE MAYOR AND COUNCIL**

OPENING: Mayor Thomas Weaver called the meeting to order at 7:07PM.

OPEN PUBLIC MEETINGS ACT ANNOUNCEMENT: Mayor Weaver read the following statement, "This meeting has been properly advertised and posted pursuant to N.J.S.A. 10:4-6, the Open Public Meetings Act."

ROLL CALL: Jenai Johnson, Municipal Clerk/Administrator, called the roll which resulted in the following members present: Mayor Thomas Weaver; Councilman Mark Armbruster; Councilman Jonathan Fisher; Councilwoman Meghan Milano; Council President Christine Nucera; Councilman Thomas Shaw; Councilwoman Holly Strobl. Also present was Solicitor George Botcheos.

SALUTE TO THE FLAG: Mayor Weaver lead in the salute to the flag.

ENGINEER REPORT: Wayne Roorda of Bach Associates was in attendance and submitted a written report, which has been filed in the appropriate manner. Mr. Roorda verbally reported on the following items:

Camden County Open Space Program- Mr. Roorda stated that the Borough had been awarded \$25,000.00 per a press release dated October 4, 2016. Mr. Roorda stated that his office would assist in the services as needed for the project. The funds were designated for purchase and installation of park benches. Mr. Roorda stated that he would be seeking ideas for application due at the end of March. Councilman Armbruster stated that the Borough would likely require additional funds for the installation of soccer fields at Daniel Dougherty, which was a project utilizing Camden County prior year Open Space Grant funds.

Mr. Roorda noted that the Borough was still seeking a response from the County related to the acquisition of a small sliver of county owned property needed for finalization of soccer field plans.

Acquisition of Park Land- Councilman Fisher asked Mr. Roorda if the Borough was able to apply for funding for acquisition of lands that would be designated as a playground. Mr. Roorda stated that he did not believe that the Borough could utilize the Open Space funds for the acquisition, but possibly could apply for the funds for purchase of the equipment and/or improvements. Councilman Fisher stated that he had spoken to James Smith, a longtime resident of the Borough, who was interested in selling a property to the Borough for that purpose. Councilman Armbruster stated that the property under discussion was contiguous to the Pillings Lake Property, who was already owned by the Borough and would likely benefit the Borough with scoring for the grant.

NJDOT Grant Application- Councilman Armbruster stated that he had concerns with the choice of project for the recent submission to New Jersey Department of Transportation Funding. The Borough submitted application for improvements to Brand Avenue. Councilman Armbruster stated that the possible development of land at that location would require curbs to be cut and roads opened. Councilman Armbruster stated that he believed it would be prudent to choose an alternate location for the funding, such as Lake Boulevard, which was in dire need of repair. Mr.

Roorda suggested a discretionary aid application be submitted for Lake Boulevard, noting that any award would not occur until August.

Mr. Roorda stated that he anticipated the Ohio Avenue Phase II design to wrap up and go out to bid the following week. Mr. Roorda was hopeful that the mill and overlay would continue to atleast Higgins Avenue. Mr. Roorda informed Council that the discretionary aid applications were due by July 1. Councilman Armbruster stated that he wanted to attempt to rescue roads before they were beyond repair.
